Yeah, I didn't actually catch it myself, somebody else did. Please give us a new amendment, and we'll just ignore the first one. Thanks.

Hi Lance:

It appears that a1904 has just been introduced. Would you like me to draft a new amendment with the correction we discussed, or would you like an amendment to SA 1? Thanks.

Right, 1904/1. I should have worded that question differently. The amendment removes that part of the relating clause, but we aren't removing the levy limit exception from the bill. So should that part of the relating clause stay in?

Hi Lance:

Are you referring to amendment a1904/1? The amendment already removes that language from the relating clause in amendment item # 1:

At the locations indicated, amend the bill as follows:

**1.** Page 1, line 3: delete the material beginning with "and changing" and ending with "levy limits" on line 5.

Please let me know if this is not the amendment to which you are referring. Thanks.

Marc, should we remove the "and creating an exception for local levy limits" from the relating clause? Page 1, lines 4-5.
